Dear friends and supporters,

We realize that as a small ministry we are not able to provide you with regular monthly donation receipts and reminders. Since that process would be very labor-intensive and costly for us, we have enrolled in a service that will allow us to automate your giving to Marriage Plus.

There are benefits for all of us if you choose to sign up for this service. You won't need to worry about missing a monthly donation and you won't need to write a check and use a stamp. In addition, we won't need to worry about any missed months of pledged support and it will automate some of our accounting and reporting. And the process to stop or change your regular donation is very simple and quick.

If you would like to enroll, please complete the form below and send it back to us along with a voided check. And if you have any questions or ever need to make a change, please let us know by contacting us at the above address or email.

May God bless you for your continued support!
